Sir:

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

In accordance with the duty of candor and good faith imposed by 37
C.F.R. §1.56 and means of complying therewith according to 37 C.F.R. §§1.97
and 1.98, the reference listed on the attached Form PTO-1449 is called to the
attention of the United States Patent and Trademark Office in connection with the

above-identified patent application. Because the requirement (37 C.F.R. §1.98(a)(2)(i)) for submitting copies of U.S. patents and published applications has been waived, copies of only the foreign cited references are attached herewith.

The Examiner conducted an updated patent search and identified new prior art reference WO 93/08081. Applicants submit herewith an uncertified English translation of the cited WO 93/08081 reference provided by the Examiner. Applicants also submit herewith an uncertified English translation of the cited WO 93/08081 also published as EP0608296 provided by the Applicants. The English translation of EP0608296 begins at Column 3, line 8 and ends at Column 7, line 48 of that reference.

No representation is made that the cited art is the only art or that the cited art represents the best art.

The Examiner is urged to consider all of the cited documents and to make an independent evaluation of the teachings and materiality of each.

It is submitted that the cited references do not disclose or render obvious the subject matter claimed in the present application.

Applicants do not believe that this response requires that any fees be submitted, however, if any fees are deemed necessary, these may be charged to Deposit Account No. 23-3000.

Respectfully submitted,

WOOD, HERRON & EVANS, L.L.P.
